

Beacon Academy

Opportunities for young people and businesses

We are committed to supporting our student's development and preparation for the world of employment. We offer an extremely comprehensive programme of support for our students and we are always keen to expand the range of employers and businesses that we engage with. If you think your business could offer support, please

Opportunity	What's involved?			
Mock Interviews 1 Hour per student	Review covering letters, CV's and applications, provide a mock interview and give feedback on the different aspects of student performance.			
Working Lunches 30 Minutes	Meet with a small group of students that are interested in your field of employment and answer questions. The session will be informal and provide an opportunity for our students to spend some time with people from a working environment outside of school. Lunch will be provided.			
Assemblies 30 Minutes per Key Stage	Give an inspirational talk about your profession, career or employability skills to help motivate students and prepare them for the world of work. This could also include bringing activities for the students to try.			
Meaningful Encounters To be decided	An opportunity to meet students that are interested in the profession or field in which you work (either at school or at your work site) and answer any questions which they may have.			
Work Experience Placement 1 Week	Offer our students the opportunity to work in your business for a week, experiencing what it is like, first hand to be in the workplace in your field of expertise.			
Please indicate which opportunities you would be willing to engage with in support of the careers programme at Beacon Academy
