Dear Parent/Carer

We have made the decision to move to a free school meal voucher system with effect from **Monday 18 January 2021**. This will be offered to those families whose children are not accessing onsite provision, where free school meals will be offered in school.

We will be using the platform called School Vouchers to issue the vouchers. School Vouchers is able to obtain your personal data directly from our academy database in order to access your email and telephone numbers; this is GDPR compliant.

The link to access your voucher via School Vouchers is **texted or emailed** to you directly once we have processed the order in school. It is, therefore, important that you keep us informed should any of your personal details change. Please contact the academy as a matter of urgency if you would like to check what details we hold on file for you.

When the order is placed and the notification comes to your phone or email please ensure that if asked you select:

Beacon Academy, DN35 9NF

As there are other 'Beacon Academies' in the UK, it is important that you select the Beacon Academy, Cleethorpes, DN35 9NF.

This information will also be on our website using the following link.

If you experience any difficulties, there is a Parent FAQs guide on the website which is really useful. If this does not answer your question, please then contact the academy email address office@beaconacademy.co.uk.
