

Monday 9th August 2021
Ref: JT/RPI Exams

Dear Parent/Carer.

GCSE Results Day 2021

As mentioned in the summer newsletter, this year's GCSE results day is Thursday 12th August 2021. This is 2 weeks prior to the normal scheduled date.

We are working hard to provide as 'near-normal' results collection, but I feel writing to you now is important to explain how the morning will run.

Results can be collected in person from **10am-12pm on 12/08/21**.

This year, due to building works on site, we require results to be collected from the **Sports Hall** and politely request as minimal people on site as possible. If your child wishes to come to school accompanied by an adult, then we ask that only parents/carers attend as a chaperone.

There will be a few restrictions in place to safeguard students, staff, and parents/carers:

- Enter the school site on foot from Chatsworth Place only. Unfortunately, there is no visitor parking on site this summer due to building works. Street parking is available outside the school.
- Please make your way through the pedestrian entrance to the Sports Hall (entrance near to the canteen).
- **Only students will be permitted to enter the Sports Hall** to collect their envelope of results. We ask that students use the provided sanitiser on entry.
- Face masks are recommended to be used by students in the indoor venue when collecting results. This is **not mandatory** for entry.
- Parents/Carers are welcome to wait outside the Sports Hall if they wish to join their child in opening results together.
- Once the results are collected, students are free to make their way home again.
- There will be limited staff on site this year, therefore any queries/questions from the results for this academic year please email office@beaconacademy.co.uk at your earliest convenience.

As is the case every year, if your child is not able to collect results in person on 12/08/2021 then we will be able to issue them from reception in person from the week beginning

Headteacher Jason Thurley BA (Hons) PG Cert
Beacon Academy Chatsworth Place, Cleethorpes DN35 9NF
www.beaconacademy.co.uk • 01472 328888 • office@beaconacademy.co.uk

06/09/2021. Alternatively, if you would like them posting before this date then please send an email confirmation that this is being requested to office@beaconacademy.co.uk.

The results issued on 12/08/2021 are copies of the official downloaded results from the exam boards. The documents collected on Thursday should be used when attending any college meetings or enrolling as proof of grades awarded in your child's GCSE courses.

Official certificates of result from the exam boards will be available from October/November 2021. We will contact you in due course when these documents are ready.

We realise that we are still working in unprecedented times and have made the arrangements as efficient as possible to issue the results to the students to enable them to start their next steps ready for September 2021.

As always, I would like to take this opportunity to thank you for your continued support and wish your child every success in this new chapter.

With warmest wishes,

A handwritten signature in blue ink, appearing to read 'J Thurley', with a horizontal line above it.

Mr J Thurley
