

## BEACON ACADEMY ADMISSIONS POLICY

# Arrangements for the Admission of Pupils to Beacon Academy 2024-2025

Published Admission Number: 150 Determination Date: 28 February 2023

The Equality Act 2010 requires public bodies, in carrying out their functions, to have due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Act
- Advance equality of opportunity between people who share a protected characteristic and people who
  do not share it
- Foster good relations across all characteristics between people who share a protected characteristic and people who do not share it.

In the development of this policy due regard has been given to achieving these objectives.

Our vision and ethos promotes 'human scale' education whereby all students are known, their contributions valued and they are given opportunities to excel.

Beacon Academy is committed to serving the local community, as defined by the designated catchment area (please see Appendix 1).

The Governing Body is the Admissions Authority for the academy and places can only be offered by the Governing Body. North East Lincolnshire Council co-ordinates the admissions process on our behalf and parents can apply through the usual application process via a form sent to your primary school or online through the North East Lincolnshire website which is: <a href="https://www.nelincs.gov.uk/children-families-and-schools/schools-and-education/school-admissions/">https://www.nelincs.gov.uk/children-families-and-schools/schools-and-education/school-admissions/</a>

## 1) Arrangements for the Admission of Pupils to Beacon Academy

The published admissions number (PAN) for **2024-2025** is **150**.

Details of the arrangements for admissions can be found by visiting <a href="www.nelincs.gov.uk">www.nelincs.gov.uk</a>.

The closing date for applications will be 31 October 2023. The National Offer Day will be 1<sup>st</sup> March 2024.

## 2) Your Application - Documents Required

**Common Application Form**: All applications for transfer from primary school to secondary school must be made using the Local Authority's Common Application Form.

## 3) Your Application – How are Places Allocated

Once received by the Local Authority, details of all applicants are passed to the Governing Body. Using the information on the Common Application Form. The Local Authority then allocates places on behalf of the Governing Body up to the published admission number. Where places cannot be allocated at the first preference school, they are allocated at the next preferred school that has places.

#### 4) Application for Twins and Multiple Birth Children

Where a place available is offered to a child from a twin or multiple birth the Governors will normally offer places to both twins, triplets etc, even if this means exceeding the published admission number.

#### 5) Fraudulent Information

If the allocation of a place has been made on the basis of fraudulent or intentionally misleading information, the governors reserve the right to withdraw the place.

#### 6) Admission Outside of Normal Age Group

Parents may seek a place for their child outside of the normal age group, for example if the child is exceptionally gifted and talented or has experienced problems such as ill health.

The academy anticipates that children will be educated out of their normal age group in only a very small number of very exceptional circumstances. However, should you wish to seek a place for your child outside of their normal year group you should still make an application for a school place for your child's normal year group, but you should also submit a request for admission out of the normal age group at the same time and follow the procedure set out by your home local authority.

A decision will then be made on which year group the child should be admitted taking into account the circumstances of each case and the best interests of the child. Once that

decision has been made the over subscription criteria will be applied to determine if a place can be offered at the academy.

The academy is not required to honour a decision made by another academy or admission authority on admission out of the normal age/year group.

Your statutory right to appeal against the refusal of a place at a school for which you have applied is unaffected. However the right to appeal does not apply if you are offered a place at the school but it is not in your preferred age group.

## 7) Late Applications

Applications must be submitted by 31 October 2021. Where a parent/carer submits a late application, and the lateness has been unavoidable in the opinion of the admissions authority (e.g. move into the area), we will be willing to consider such applications up to 31 December 2021. Applications received after the 31 December 2021, or without a good reason for not meeting the deadline, will be dealt with in accordance with the following procedure:

- (1) Those who have completed the Common Application Form (CAF) by the closing date will be allocated places first. If places are still available at the Academy, late applications will be offered a place. However, if all places have been taken the application will be refused and the parent/carer offered the right to appeal.
- Any applications received after the closing date will be considered after those received by the closing date. You are therefore encouraged to ensure that your application is received on time.

#### 8) Waiting Lists

Parents whose children have not been offered a place in the normal admissions round will be informed of their right of appeal and will be added to the academy's waiting list. Waiting lists for admission will remain open until the end of the Autumn Term in the admission year. The academy may maintain waiting lists after this date. Please contact the academy for further details.

Waiting lists are ranked in the same order as the over subscription criteria listed below. Waiting lists may change. This means that a child's waiting list position during the year could go up or down. Any late applications will be added to the list in accordance with the order of priority for allocating places. Inclusion on the academy's waiting list does not mean that a place will eventually become available.

#### 9) Appeals

Following allocations, parents/carers may appeal if they are not allocated a place for their child at Beacon Academy. Information on how to appeal will be included in the allocation letter and must be made in writing. Appeals forms can be requested from North East Lincolnshire's Legal Services who administer the appeals on behalf of the academy. Appeals should be received no later than 20 school days after allocation day or, in the case of 'in year' applications, 20 working days after the date of the refusal letter.

#### 10) In-Year Applications

Application forms are available from Beacon Academy by emailing <a href="mailto:office@beaconacademy.co.uk">office@beaconacademy.co.uk</a> or by contacting us on 01472 328888. If the respective year group total is below the Published Admission Number for that year group, the child may be offered a place. If the respective year group total is full, the child may be offered a place, if it is decided that the education of pupils in that year group will not be detrimentally affected by the admission of an extra pupil.

Beacon Academy may maintain a waiting list for 'in-year' applications. Details will be provided

on request. Inclusion on the academy's waiting list does not mean that a place will eventually become available.

In all cases, the Headteacher reserves the right to refuse a place in the following circumstances:

- The admission will prejudice the efficient use of resources
- The admission will prejudice the efficient education provision to students already in the academy.

All places offered are subject to the child starting at school within 7 days of the starting date stated within the offer letter. Any place not taken up within 7 days may be withdrawn and offered to another child.

Governors reserve the right to extend the timescale of an offer if they consider there to be appropriate circumstances at the time.

If your child is not allocated a place, you have a statutory right to appeal (see 'Appeals' above). The appeal should be lodged within 20 school days after the date of your refusal letter.

## 10) Oversubscription Criteria

Children with an **Educational Health and Care Plan (EHCP)** where the academy is named will be admitted first.

If undersubscribed the Academy will offer a place to all applicants.

However, in the event that the number of applications for places at the Academy is higher than the Published Admission Number (PAN) of 150 applications, will be considered against the criteria set out below. We will use the following factors, in priority order, to decide which children will be offered places.

Therefore, after the admission of children with an **EHCP** which names the Academy, the following factors will be used to decide which children will be given places:

- 1) Children who are looked after (CLA) or a child who was previously looked after.
- 2) Living in the catchment area
- 3) Having brothers or sisters who are already at the academy when your child is due to start there.
- 4) Children of Beacon Academy/Wellspring Academy Trust employees.
- 5) The last factor is geographical. We will give priority to those living nearest to the academy (if there is more than one route, the distance measured is the shortest available safe route for pedestrians), from the front door of the child's home address (including flats) to the main entrance of the academy, using the local authority's computerised measuring system. If you would like more information or have any specific queries in relation to this, you can contact the Schools Admission Team. In this exceptional situation, if there is no other way of separating the applications then the governors will admit the additional child above the published admission number.

#### **Definitions of Terms Used in the Admission Arrangements**

## Note 1 - Looked after children or previously looked after children

A "looked after child" is a child who is:

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care

outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see

the definition in Section 22(1) of the Children Act 1989).

#### Note 2 - Living in the catchment area

The governors use the same definition as that used by the Local Authority. See "Your New School – A Guide for Parents" available via the Local Authority website <a href="www.nelincs.gov.uk">www.nelincs.gov.uk</a>

#### Note 3 - Siblings

The governors use the same definition as that used by the Local Authority. See "Your New School – A Guide forParents".

## Note 4 - Geographical

Distance will be measured by the shortest and safest walking route from the front door of the child's home address (including flats) to the main entrance of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the highest priority.

By home we mean address that the child lives for the majority of term time with a parent as defined in Section 576 of the Education Act 1996 who has parental responsibility for the child as defined in the Children Act 1989.

Where a child lives normally during the school week with more than one parent at different addresses, the home address for the purposes of school admissions will be the one where the child spends the majority of term time. If a parent can show that their child spends an equal amount of time at both addresses during term time, they can choose which address they can use on the application.

If a parent has more than one home, we will take as the home address the address where the parent and child normally live for the majority of the school term time.

In the event of more than one child living the exact same safest walking distance then each child will be admitted.
